

**Millings to be Returned to County
Policy**

When a project requires that a County road be milled to provide access, or for any other improvement to a County Road, millings created shall be returned at no cost to the County. For projects east of I-95 the millings shall be delivered to the Bailey Road Yard. For Projects west of I-95, the millings shall be delivered to the Pea Farm Road Yard. This policy shall apply to all projects that impact County Roads regardless of the jurisdiction that will approve the project.

Approved by Nassau County Board of County Commissioners April 17, 2013 Tab H
