Bulletin G-02-15

MEMORANDUM

Date: January 30, 2015
TO: All Specialty Trade Contractor Applicants
FROM: Michael Griffin, CBO, CFM, Building Official
SUBJECT: Specialty Trade Testing

As of this date, all applicants for a Specialty Trade Contractor license will be required to pass a written examination as indicated in Sec. 7-112- Certification of the Nassau County Regulation of Contractors Ordinance. Following the submittal of a completed application to Nassau County licensing staff, those who can qualify following verification of time, experience and supervisory capacity will be required to take and pass by a score of 75% or better an examination as required by ordinance. There are three testing agencies available Prometric Testing, GITS Testing and ProV Testing. We can provide details of where these agencies are located upon request. Current specialty license holders will not be required to take an exam.

If you have any questions or need additional information please let me know.
