As-Built Certification By Registered Professional

Project Name: _____

Development Permit Number: _____

I hereby certify that all improvements to the above referenced project and all components of the storm water management system have been built substantially in accordance with the plans and specifications on file at Nassau County and the project is ready for final inspection. Any substantial deviations, as noted below, will not place the site out of compliance with the Nassau County Roadway and Drainage Standards Ordinance and furthermore will not prevent the stormwater management system from functioning in compliance with the requirements of Nassau County when properly maintained and operated. These determinations have been based upon on-site inspection(s) by me or by my designee under my direct supervision and my review of the As-Built drawings accompanying this certification.
