Congratulations

Nassau County Board of County Commissioners is proud to announce that we have received an Above and Beyond Silver level Aetna Workplace Well-being Award. As an employer with a strong commitment to improving the health of our employees, we feature a comprehensive well-being strategy that our employees are passionate about. This award is the culmination of our employees' desire to live healthier, more active lives and make well-being a priority.

Our workplace well-being program focuses on creating and maintaining an active lifestyle, mental health awareness and treatment, group and individual exercise programs, incentives for gym memberships, no-cost to the employee primary care visits, and much more.
