

NASSAU COUNTY SOLID WASTE DEPARTMENT MONTHLY NEWSLETTER

CONVENIENCE RECYCLE CENTER

The Convenience Recycle Center is for Nassau County residents use only. This is a free drop off center for household waste and recyclables. The Center is located at 46026 Landfill Rd Callahan, FL 32011. We accept small loads including small trailer loads. No double axel trailers permitted at this time.

Yard Waste and residential construction demolition debris (such as carpet and remodeling material) will not be accepted at the center. Sandhill Recycle Center does charge a fee for these materials at their location.

In August 2022, 158.53 tons of residential household waste was accepted at the Center and hauled to Camden County Landfill for disposal.

RECYCLING

The Nassau County recycling program consist of the Convenience Recycling Center and three (3) ADA satellite drop off locations in the county. Satellite locations are as follows:

- **Gene Lasserre Blvd-86200**
Gene Lasserre Blvd Yulee, FL 32097
- **Bryceville-7282 Motes Rd**
Bryceville, FL 32009
- **Goodbread Rd-86142 Goodbread Drive Yulee, FL 32097**

Citizens are asked to recycle only the accepted items at these locations. All locations are free of charge.

In August 2022, 45.51 tons of Recyclables were accepted and recycled.

LANDFILL CLOSURE ACTIVITY

West Nassau Landfill, Lofton Creek Landfill and Bryceville Landfill are all closed landfills in Nassau County. Solid Wase staff keeps the three facilities in compliance with FDEP through monthly preventative maintenance, mowing and FDEP reporting.

The Solid Waste Department has completed 107 work orders to perform such activity this reporting period.

Part of post closure activity is leachate removal from three 10,000 gallon onsite holding tanks. In August, 282,500 gallons of leachate was removed from the West Nassau Landfill and treated at the Water Recovery Waste Water treatment plant in Jacksonville FL.
